Dear Ken:

Thanks both to you and to Alden Hatch for sending me the autographed copy of the family history that he has written about The Wadsworths of the Genesee. I am sure that I will find it an enjoyable adventure to read about my fellow "countrymen" of upstate New York from the pen of a man of such good repute.

In particular I appreciate your thoughtfulness in suggesting that Mr. Hatch might be available for doing a book sometime on the Dulles family. I will surely keep your suggestion in mind when the time comes.

Sincerely,

Dear Mr. Dulles:

I am sending you herewith a copy of Alden Hatch's book, THE WADSWORTHS OF THE GENESEE, which I think you will find most interesting. It is basically this kind of book that I would be interested in commissioning Alden Hatch to do on the Dulles family, with particular emphasis on the careers of your brother, your sister and yourself.

I shall look forward to hearing from you further about this. I enjoyed seeing you again last week after so long a time and hope to have that opportunity again before too long.

With kindest personal regards, I am,

Most sincerely,

K. S. Giniger
